

Top Left: A screenshot of a mobile device showing a navigation bar with icons for home, trophy, settings, and a plus sign. Below the bar are several small icons (checkmark, X, left arrow, OK, hands, pencil) and a yellow "SUPPRIMER" button. At the bottom is a keyboard with QWERTY layout and a numeric keypad.

Top Center: A screenshot of a mobile application interface titled "Everyday". It shows a grid of icons for "Niveau" (Level) and a summary of session statistics: Last session: 21/02/2018, Current streak: 72 days, Longest streak: 82 days, Longest session: 1h32m, Average session: 1h10mn, Total: 2 sessions, Cumulated duration: 14h27mn. There is a red annotation "Mise en forme à affiner" (Refine layout).

Top Right: A screenshot of a session summary for "Arthur le démon" on 03/05/2017 at 09h43, lasting 1h10mn. It includes a drawing of a crab, session details, and a support sound section.

Middle Left: A series of screenshots showing various error and configuration screens. These include an "Erreur" screen with icons, a "Date" selection screen for April 2016, "Personnaliser" screens for current and future states, and a "Choisir un son" screen with a list of options. One screen shows an invalid date error ("La date choisie est invalide").

Middle Center: A series of screenshots showing session start and end screens. The "Début de session" screen shows a timestamp of 08/01/2020 10:46 and a "Personnaliser" screen. The "Fin de session" screen also shows a timestamp of 08/01/2020 10:46 and a "Personnaliser" screen.

Middle Right: A series of screenshots showing session configuration and data management. It includes screens for "Effacer les données enregistrées", "Garder l'appareil allumé" (Keep device on), "Heure de la notification" (Notification time), and "Rappel" (Reminder). A large green circle highlights the "Démarrage dans 5s" (Starting in 5s) message.

Bottom Left: A screenshot showing a grid of emotion icons categorized by body part: Corps, Pensées, Emotions, and Global.

Bottom Right: A screenshot of the "Paramètres" (Parameters) screen. It includes sections for "Sessions", "Rappel", "Avancé", and "Modifiez le comportement basique". It shows a table for session levels and a drawing of a crab.
